Dear Friend:

I am dropping you a line to tell you  
The Eagles and The Yankees will play in Dunn  
Field, Saturday July 15th, a night game.

The cards will be shipped to you in a  
few days. If you have any suggestions to offer  
about how to get the people out, let me hear from  
you.

We are playing in Newark Friday nights,  
and drawing very good. We play The Homestead Grays  
here this coming Sunday July 2nd. The Grays are  
in first place and The Eagles second. We will be  
battling for first place, and should have a good  
crowd. If you come up let me know and I will leave  
passes at the press gate.

Very truly Yours
